THE LEGENDARY Dux de Lux was an iconic institution in New Zealand. Originally in the Christchurch Arts Centre until February 2011, Dux de Lux included a seafood and vegetarian restaurant, brewery bar (complete with onsite brewery!), music venue, and a functions venue.

In 1989, Dux de Lux added one of the **first craft breweries in New Zealand** and went on to be awarded a plethora of brewing awards year on year for each of our staple brews, *which are still on tap now!*

Our *Tavern Bar Music Venue* hosted many of the country's top performers and in some cases these acts got their start right in our modest and effective music venue. The Dux saw nearly all of the biggest acts New Zealand had to offer including the likes of The Exponents, The Feelers, Salmonella Dub, Shapeshifter, Shihad, The Mutton Birds and many, many more!

Christchurch locals, you will remember New Year's Eve at The Dux as one of the biggest parties in Christchurch.

Since the earthquake in February 2011, which caused major structural damage to our original site, Dux had to take the main components that formed Dux de Lux and relocate each aspect. Dux Central is a piece of The Dux Group puzzle, along with Dux Dine, Terrace Tavern and The Poplar Social Club.

You'll no doubt hear "Meet you at The Dux" echoed around the city simply because everyone knows that a great time was always to be had here.
